

## Learn To Sing Program

Gentlemen,

Where do you like to sing? In the car while listening to the radio? In a choir? Outside while enjoying a pleasant day? In the shower when no-one is listening? Have you ever wondered what it would be like to sing with a group of men who enjoy harmonizing together? Well, here's your chance!

The Winnipeg Golden Chordsmen will be running another "Learn to Sing" program again this coming October. After last year's successful program when 16 men of widely differing backgrounds and singing experience (from "some" to "none") signed up to enjoy the experience, we are again offering this opportunity to any man who is interested in exploring the world of "Barbershop Music".

This no-obligation program consists of a cost-free opportunity to benefit from 6 weeks of group voice and singing instruction, learning materials, rehearsals and recreational singing with the whole chorus, followed by refreshments and camaraderie with the chorus members. Celebrate your singing success by joining us in one or more our Christmas performances in December. It will be an awesome experience!

P.S. As always, gentlemen, you are welcome to visit us at any of our regular Wednesday night rehearsals at 7:00 pm at St. Andrew's United Church (basement), 255 Oak St. (at Kingsway). We love having visitors.
